Sub: Permission for the research scholars of IISER Bhopal to come back to the Institute to carry out their research activities.

Ref: MHRD Letter No. DO No. 32-28/2017-TS-I dated June 26, 2020.

Dear Shri Bains,

This has reference to the above referred letter from Shri Amit Khare, Secretary, MHRD requesting permission for the students and research scholars of IISER Bhopal to come back to the Institute and to carry out their research activities in the Institute.

Further, we would like to inform that the number of externally funded projects, including from MHRD such as STARS, SPARC, etc. in addition to nationally important projects related to COVID-19, Defence (DRDO), Biomedical(DBT/ICMR), Environment(SERB), Earth Sciences (MOES), Materials(DST/SERB), etc, which are carried out by our faculty members along with research scholars have come to a standstill for over last three months and we are under considerable pressure to deliver results and technologies to various national agencies as well.

In line with the guidelines of unlock 1.0 for openings of saloons, malls and religious places and offices, we request that all research activities along with research fellows, scholars and senior Ph.D. Students may be permitted to start their work as soon as possible. In addition, the research activity in our institute **shall follow our MP State Government recommendations on quarantining and also social distancing** in the institute premises and no classroom-related activity will be conducted. At present all our **class room activities are carried out online and would continue during the next semester as well.**

It is also emphasized that all activities, such as, project monitoring, project evaluations, research evaluations and research thesis examinations and any other meetings related to research will be conducted under the strict regulations of social distancing and shall be conducted through an online platform, preferably."

In view of the above, kindly provide us with permission for the research scholars of IISER Bhopal to come back to the Institute to carry out their research activities.

With regards,

Sincerely yours,

Siva Umapathy

DO No. 32-28/2017-TS-I

26th June, 2020

Dear Sh. I. S. Bains,

Indian Institutes of Technology (IITs) and Indian Institutes of Science Education and Research (IISERs) are among the front runners in the country carrying out various research activities in the field of Covid-19.

Students and research scholars of the IITs and IISERs plays a key role in this research. However, as reported by these Institutes, when these students / scholars apply for passes with State/local authorities for their movement on grounds of research, the same are being denied by the State authorities.

I request your kind intervention for issuing instructions to concerned authorities in your State to issue passes to the students/ research scholars of IIT Indore and IISER Bhopal (on request from the institute), as a special case, so as to carry out their research with all precautions and necessary protocol

With regards,

Yours sincerely,
